SHELLEY SOMMERS

WILL'S SECRET

Will's Secret

No longer a playboy, Will is devoted to Louisa. Louisa said "Yes" to his marriage proposal. Now, to prove himself to her! With a boatload of self-doubt, he's determined to show her he's worthy of her love.

Louisa knows Will loves her, and she loves him. With her off at college and Will working at the vineyard eight hours away, they'd be apart several days every week, which worries her.

Can their new marriage keep its magic with the challenges they face?
